For those that don't know him, Major General Peter Cosgrove is an 'Australian treasure!'

General Cosgrove was interviewed on the radio recently. You'll love his reply to the lady who interviewed him concerning guns and children. Regardless of how you feel about gun laws you gotta love this! This is one of the best comeback lines of all time. It is a portion of an ABC interview between a female broadcaster and General Cosgrove who was about to sponsor a Boy Scout Troop visiting his military headquarters.

FEMALE INTERVIEWER:

So, General Cosgrove, what things are you going to teach these young boys when they visit your base?

GENERAL COSGROVE:

We're going to teach them climbing, canoeing, archery and shooting.

FEMALE INTERVIEWER:

Shooting! That's a bit irresponsible, isn't it?

GENERAL COSGROVE:

I don't see why, they'll be properly supervised on the rifle range.

FEMALE INTERVIEWER:

Don't you admit that this is a terribly dangerous activity to be teaching children?

GENERAL COSGROVE:

I don't see how. We will be teaching them proper rifle discipline before they even touch a firearm.

FEMALE INTERVIEWER:

But you're equipping them to become violent killers.

GENERAL COSGROVE:

Well, Ma'am, you're equipped to be a prostitute, but you're not one, are you?

The radio went silent and the interview ended.

Pink eye illusion

September 28th, 2008 by 2guys1beer

If your eyes follow the movement of the rotating pink dot, the dots will remain only one colour – pink.

However if you stare at the black “+” in the center, the moving dot turns to green.

Now, concentrate on the black “+” in the center of the picture.

After a short period, all the pink dots will slowly disappear, and you will only see only a single green dot rotating.

It's amazing how our brain works. There really is no green dot, and the pink ones really don't disappear.

Proof enough that we don't always see what we think we see...

This is the ultimate drinker!

May 18th, 2008 by 2guys1beer

The guy who lived in this house drank all this beer in only 8 years. It was total 70.000 cans of beer and if you calculate that, it means only 24 beer cans a day for 8 years ;) If that is not the ultimate drinker than I don't know what is!

About the two guys with the beer 2guys1beer

We are maybe not as dirty as the 2 guys that played a nice game with the horse on the website 2guys1horse.com - we are not as sexy as the two girls drinking from the same cup at the world-famous website 2girls1cup.com but what we do is so much more fun! We drink alcohol!
